

KCA Curriculum
Nursery - Yearly Overview

	Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
Project Focus	Ingerity Who am I?	Respect How does our community celebrate?	Endurance What will we find in the woods?	Kindness How can we take care of living things to help them grow?	Courage How can we show courage?	Aspiration How does knowing where our food comes from help us make good choices?
Core Text	 	 	  	  	 	  
Authentic Audience	Parents: Showcase Learning environment & children's learning	Parents: Nativity	SLT	Parents	Reception Children	Parents: Art Show
Writing	Taking part part in mark making activities in a variety of different ways e.g using crayons and chalk on paper, fingers in sand or cornflour or using a touch screen on an Ipad	Sometimes give meaning to marks as they draw or paint. Beginning to show a preference for a dominant hand. Can use a pencil with some control.	Can talk about their drawings and mark making and can tell you what my mark making says Begin to form some letters of their name	Beginning to form some letters of their name correctly, starting with anticlockwise or top to bottom movements where appropriate Can talk about their drawings and mark making and can tell you what my mark making says	Using comfortable pencil grip (aiming for Dynamic Tripod Grip). Forming some letters of their name correctly, starting with anticlockwise or top to bottom movements where appropriate Can talk about their drawings and mark making and can tell you what my mark making says	Produce recognisable letter shapes in their name. Use some of their print and letter knowledge in their early writing. For example: writing a pretend shopping list that starts at the top of the page; writing 'm' for mummy.
Early reading Phonics	Phonics: Phase One General sound discrimination – environmental	Phonics: Phase One General sound discrimination – instrumental sounds	Phonics: Phase One General sound discrimination – body percussion	Phonics: Phase One Rhythm and rhyme	Phonics: Phase One Alliteration and voice sounds	Phonics: Phase One Oral blending and segmenting
Maths	Comparison 1 - more than, fewer than, same Shape Space & Measure 1 - explore and build with shapes and objects Pattern 1 - explore repeats Counting 1 - hear and say number names	Counting 2 - begin to order number names Subitising 1 - I see 1,2,3 Pattern 2 - join in with repeats Shape, space and measure 2 - explore position and space	Subitising 2 - show me 1,2,3 Counting 3 - move and label 1,2,3 Shape, space and measure 3 - explore position and routes Pattern 3 - explore patterns	Counting 4 - take and give 1,2,3 Shape, space and measure 4 - match, talk, push and pull Subitising 3 - talk about dots Comparison 2- compare and sort collections	Pattern 4 - lead on own repeats Shape, space and measure 5 - start to puzzle Pattern 5 - making patterns together Subitising 4 - make games and actions Counting 5 - show me 5	Pattern 6 - my own pattern Counting 6 - stop at 1,2,3,4,5 Comparison 3 - match, sort, compare

Understanding the World	Talk about what they see, using a growing vocabulary. Begin to make sense of their own life-story and family's history.	Continue developing positive attitudes about the differences between people. Can comment on recent pictures of celebrations in their lives such as 'this is me celebrating diwali'	Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.	Can talk about what they see in their own environment (school and home) Can use their senses to explore e.g. hands in natural materials or listening and sound walks Explore collections of materials with similar and/or different properties.	Plant seeds and care for growing plants. Understand the key features of the life cycle of a general plant and a butterfly. Begin to understand the need to respect and care for the natural environment and all living things.	Talk about changes such as combining ingredients for cooking or melting ice Talk about the world around us observing animals and plants using wider vocabulary (key vocab that I have been taught) Use their hands to explore and talk about natural materials e.g. natural messy sensory play such as mud, water, sand, ice, snow
EAD	Take part in simple pretend play, using an object to represent something else even though they are not similar. Explore different materials freely, to develop their ideas about how to use them and what to make.	Begin to draw 'potato people' and draw other things from memory Use drawing and objects to represent ideas (e.g. a brick for a car) Remember and sing my favourite songs from memory Copy simple patterns and actions	Begin to develop complex stories using small world equipment like animal sets, dolls and dolls houses, etc. Draw with increasing complexity and detail, such as representing a face with a circle and including details. Use different materials and tools in different ways to build and represent things Remember and sing a variety of songs and use musical instruments to make different sounds	Develop their own ideas and then decide which materials to use to express them. Respond to what they have heard, expressing their thoughts and feelings. Can pitch match when singing and alter voice to play different characters	Make imaginative and complex 'small worlds' with blocks and construction kits, such as a city with different buildings and a park. Show different emotions in their drawings – happiness, sadness, fear, etc Explore colour and colour mixing.	Join different materials and explore different textures. Play instruments with increasing control to express their feelings and ideas. Create their own songs or improvise a song around one they know.
PSED	Become more outgoing with unfamiliar people, in the safe context of their setting. Show more confidence in new social situations. Show an interest in other children's play Can recognise and ask when they need to go to the toilet	Develop their sense of responsibility and membership of their nursery community. Select and use activities and resources, with help when needed. This helps them to achieve a goal they have chosen, or one which is suggested to them. Continue to play with an increasingly diverse range of children, demonstrating pro-social behaviours with support e.g. sharing toys	Play with one or more other children, extending and elaborating play ideas. Find solutions to conflicts and rivalries. For example, accepting that not everyone can be Spider-Man in the game, and suggesting other ideas. Talk about feelings of themselves and others using words like 'happy', 'sad', 'angry' or 'worried'. Recognise the rules and values of the school and seek to uphold them	Increasingly follow rules, understanding why they are important. Remember rules without needing an adult to remind them. Play with their friends cooperatively and show empathy and care for their feelings	Develop appropriate ways of being assertive. Talk with others to solve conflicts. Use vocabulary regarding how they feel e.g. happy or sad Being able to regulate their behaviour accordingly Develop confidence, risk taking and openness to try new things	Be increasingly independent in meeting their own care needs, e.g., brushing teeth, using the toilet, washing and drying their hands thoroughly. Make healthy choices about food, drink, activity and toothbrushing. Develop confidence, risk taking and openness to try new things
CLL	Can follow instructions with	Focus attention during an adult	Take part in short exchanges with	Start a conversation with an adult or a friend and continue it for many	Use a wider range of vocabulary.	Be able to express a point of view and to debate when they

	three key words Focus attention during a adult led session in a small group for 2/3 minutes Pronounce one syllable words clearly Ask for help when needed	carpet led session for 5 minutes Responding appropriately when asked to do something Follow simple instructions Talk about what we are doing now and what might happen later today/tomorrow Ask simple questions	others Beginning to expand sentences to 4-6 words Begin to say when feeling happy or sad	turns. Use talk to organise themselves and their play: "Let's go on a bus... you sit there... I'll be the driver." Maintain concentration and attention on adult led carpet activity for 8 minutes Can predict what might happen next in a story	Understand prepositions e.g. under Follow two-part instruction Understand simple 'why' questions	disagree with an adult or a friend, using words as well as actions. Hold focus/attention for up to 10 minutes in a adult-led carpet session Join in with favourite songs and rhymes Can say most sounds clearly when speaking
PD / PE	Continue to develop their movement, balancing, riding (scooters, trikes and bikes) and ball skills. Go up steps and stairs, or climb up apparatus, using alternate feet.	Skip, hop, stand on one leg and hold a pose for a game like musical statues. Use large-muscle movements to wave flags and streamers, paint and make marks.	Match their developing physical skills to tasks and activities in the setting. For example, they decide whether to crawl, walk or run across a plank, depending on its length and width. Start taking part in some group activities which they make up for themselves, or in teams. Increasingly be able to use and remember sequences and patterns of movements which are related to music and rhythm.	Choose the right resources to carry out their own plan. For example, choosing a spade to enlarge a small hole they dug with a trowel. Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks.	Use one-handed tools and equipment, for example, making snips in paper with scissors. Use a comfortable grip with good control when holding pens and pencils. Show a preference for a dominant hand.	Be increasingly independent as they get dressed and undressed, for example, putting coats on and doing up zips.
Trips Visits	NA: Settling in period	Local area	Forest school sessions	Little Angel Theatre	Farm	The floating Garden/Skip garden
