

Singing and Performance								
	Nursery (Expressive Arts and Design)	Reception (Expressive Arts and Design)	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Substantive knowledge & Skills	I can join in with familiar songs, rhymes and singing games. I can explore the difference between my speaking, singing and whispering voices. I can begin to sing as part of a group and sometimes on my own. I can recognise and respond to high and low sounds. I can move to music and begin to feel and respond to a	I can sing a growing repertoire of songs and rhymes confidently as part of a group. I can sing familiar songs independently from the teacher and sometimes perform on my own. I can begin to sing in tune within a comfortable vocal range. I can copy and respond to short melodic and rhythmic phrases. I can recognise	I can sing a range of songs accurately and with increasing confidence. I can sing independently and perform short sections as a soloist. I can use solfa and hand signs to support accurate singing of familiar melodic patterns. I can maintain a steady pulse while singing or performing. I can perform familiar rhythmic patterns	I can sing confidently and in tune across an increasingly wide vocal range. I can use solfa and hand signs to sing familiar melodic patterns. I can work out the solfa of short familiar phrases. I can maintain a steady pulse while simultaneously performing a contrasting rhythm. I can perform rhythmic and melodic ostinati	I can sing confidently and accurately across a wide vocal range. I can use solfa and hand signs to support increasingly accurate pitch. I can sing songs using an increasingly wide range of pitches and tonal patterns. I can work out the solfa of short melodic phrases. I can maintain my own part when performing	I can sing confidently and accurately across the full major toneset. I can use solfa and hand signs to sing and work out increasingly extended melodic phrases. I can sing with secure intonation and an appropriate vocal quality. I can maintain an independent part in canons, ostinati and part songs. I can perform increasingly	I can sing confidently and accurately using major and minor tonal material. I can use solfa and hand signs to sing the full major scale and begin to sing the natural minor scale. I can work out the solfa of increasingly extended melodies with greater independence. I can maintain an independent vocal or instrumental part within a	I can sing confidently, accurately and expressively in major and minor tonalities. I can sing major and natural minor scales using solfa and hand signs. I can recognise and sing increasingly complex melodic relationships, including intervals. I can maintain an independent part confidently within canons, ostinati and multi-part

	steady pulse. I can copy simple actions, sounds and rhythmic patterns. I can explore playing untuned percussion instruments alongside songs and rhymes. I can begin to start and stop with others when performing.	and demonstrate high and low pitch through my voice, movement and actions. I can keep a steady pulse when singing, moving or playing. I can play simple rhythmic patterns on untuned percussion instruments. I can follow simple musical directions, including starting, stopping, getting louder or quieter, and getting faster or slower. I can listen to others and perform as part of a group.	accurately. I can maintain a simple rhythmic or melodic ostinato as part of a group. I can begin to sing a simple two-part canon with support. I can play simple rhythmic patterns on classroom percussion with control. I can respond to a leader and perform successfully as part of an ensemble.	accurately. I can sing a two-part canon with increasing independence. I can sing partner songs, maintaining my own part alongside another. I can use classroom instruments to perform rhythmic and melodic patterns with increasing control. I can listen to other performers and adjust my performance to maintain my part within an ensemble.	rhythmic and melodic ostinati. I can perform canons and partner songs with increasing independence. I can perform rhythmic and melodic material on instruments with accuracy and control. I can follow musical directions relating to pulse, tempo and dynamics. I can listen across an ensemble and adjust my singing or playing to improve the collective performance.	complex rhythmic and melodic patterns accurately. I can perform on instruments with increasing fluency, control and expression. I can respond accurately to changes in tempo and dynamics during a performance. I can listen to other parts and adjust my own performance to maintain balance and ensemble. I can rehearse and refine a performance in response to feedback.	multi-part performance. I can perform canons, ostinati and part songs securely and independently. I can perform increasingly complex rhythmic and melodic material with accuracy and fluency. I can use tempo, dynamics, phrasing and articulation to make a performance more expressive. I can listen critically while rehearsing and make adjustments to improve tuning, balance and ensemble. I can contribute to rehearsing, refining and presenting a polished group performance.	songs. I can perform vocal and instrumental music with secure pulse, rhythmic accuracy and intonation. I can respond independently to changes in tempo, dynamics, phrasing and articulation. I can listen critically to the whole ensemble and adjust my performance to improve balance, tuning and musical effect. I can rehearse independently and collaboratively, identifying areas that need refinement. I can perform confidently to an audience, demonstrating musical expression, control and an awareness of the
--	--	---	--	--	---	---	--	---

								other performers.
Vocabulary	Sing, song, voice, high, low, pulse, beat, fast, slow, instrument, play, start, stop	Pitch, pulse, rhythm, high, low, in tune, solo, group, percussion, loud, quiet, fast, slow, perform	Solfa, melody, rhythm, pulse, ostinato, canon, solo, ensemble, percussion, perform, in tune, conductor	Melody, solfa, phrase, ostinato, canon, partner song, pulse, rhythm, part, ensemble, vocal range, in tune	Toneset, solfa, melody, phrase, pitch, ostinato, canon, ensemble, part, tempo, dynamics, accuracy, performance	Intonation, major, toneset, solfa, part song, canon, ostinato, ensemble, balance, expression, fluency, rehearse, refine	Major, minor, scale, solfa, intonation, articulation, phrasing, expression, balance, ensemble, part, rehearse, refine, performance	Interval, major, minor, tonality, intonation, articulation, phrasing, expression, ensemble, balance, accuracy, interpretation, rehearse, refine, performance

Musicianship and Notation								
	Nursery (Expressive Arts and Design)	Reception (Expressive Arts and Design)	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Substantive knowledge & Skills	I can feel and respond to a steady pulse through singing, movement and playing.	I can keep a steady pulse independently when singing, moving or playing.	I can maintain a steady pulse independently while singing, moving or playing.	I can maintain a steady pulse while performing a contrasting rhythm.	I can recognise how beats are organised into bars and identify music in 3/4 and 4/4.	I can recognise and work confidently with music in 2/4, 3/4 and 4/4.	I can read and perform increasingly complex rhythmic patterns fluently.	I can fluently read, perform and write increasingly complex rhythmic notation.
	I can explore the difference between pulse and the rhythm of words and songs.	I can recognise the difference between pulse and rhythm.	I can distinguish confidently between pulse and rhythm.	I can recognise and perform increasingly complex rhythmic patterns, including tiri-tiri and ti-ta-ti.	I can read and perform increasingly complex rhythmic notation fluently.	I can identify beats and place barlines accurately within familiar rhythmic notation.	I can recognise, perform and notate syncopated and other increasingly complex rhythms using the rhythm language I have learned.	I can use conventional rhythmic terminology, including crotchet, quaver, minim and semibreve, alongside the rhythm syllables I have learned.
	I can recognise and respond to fast and slow music.	I can clap or play the rhythm of a familiar song.	I can perform and recognise ta, ta-a, ti-ti and rest.	I can read rhythmic patterns fluently in 4/4.	I can recognise and perform ti-ta-ti, ta-a-a and tai-ti alongside previously learned rhythms.	I can fluently read and perform known rhythmic notation, including increasingly complex patterns.	I can compose and notate short rhythmic patterns using known notation.	I can recognise and notate rests of different durations.
	I can recognise and respond to loud and quiet sounds.	I can echo and remember short rhythmic patterns.	I can begin to recognise and perform tiri-tiri.	I can begin to read rhythmic patterns in 3/4.	I can read and write simple melodic patterns using solfa on a one- to three-line stave.	I can recognise and perform ta-a-a-a alongside previously learned rhythms.	I can read and write solfa on a five-line stave.	I can recognise and explain an anacrusis.
	I can recognise the difference between sound and silence and between long and short sounds.	I can perform ta, ta-a, ti-ti and rest using rhythm syllables.	I can read and write familiar rhythms using stick notation.	I can recognise how beats are grouped within a bar.	I can listen to and accurately notate short rhythmic patterns.	I can read and write melodic notation using solfa on an increasingly	I can listen to and notate increasingly complex rhythmic patterns	I can read and write melodic notation using solfa on a five-line
	I can copy simple four-beat	I can begin to recognise simple rhythm symbols and stick notation.	I can read and perform short rhythmic patterns in 4/4.	I can read and write simple pitch patterns using graphic, bubble and one-line				
			I can recognise that pitch can be					

	rhythmic patterns using my voice, body or instruments. I can begin to use rhythm syllables including ta, ta-a, ti-ti and rest. I can recognise simple pictures and symbols used to represent musical sounds. I can experience repeating patterns and structures through songs, rhymes and dances.	I can recognise and respond to changes in tempo. I can recognise changes between loud and quiet and respond to gradual changes in dynamics. I can recognise repeating patterns and phrases within familiar music.	represented visually and begin to read simple pitch notation. I can recognise musical phrases and patterns within familiar songs. I can respond accurately to changes in tempo and dynamics.	stave notation. I can write the rhythm of a familiar song using known notation. I can listen to and notate a simple four-beat rhythm. I can identify simple musical structures such as ABA. I can recognise and respond to different levels of dynamics.	I can identify similarities and differences between musical phrases. I can recognise musical structures including AB and ABC. I can use appropriate musical vocabulary to describe tempo and dynamics. I can apply my understanding of notation when rehearsing and performing music.	developed stave. I can listen to and notate rhythmic patterns with increasing accuracy. I can recognise and describe more complex musical structures, including verse-chorus and rondo-type forms such as ABACA. I can use Italian musical terms to describe tempo, including allegro and largo. I can recognise and apply changes in dynamics when performing.	accurately. I can recognise the treble and bass clefs and explain their purpose. I can identify and describe the metre, tempo, dynamics and structure of music I hear and perform. I can use musical terms for changing tempo, including accelerando and ritardando. I can recognise and apply gradual changes in dynamics. I can use notation increasingly independently when learning, recording and performing music.	stave. I can use notation independently to support rehearsal, performance and musical ideas. I can identify regular and irregular time signatures, including examples such as 5/4. I can identify and describe changes in tempo, dynamics and musical structure using appropriate terminology. I can recognise and describe complex musical forms. I can listen to musical material and record increasingly complex rhythmic and melodic information using appropriate notation.

Composing and Improvising

	Nursery (Expressive Arts and Design)	Reception (Expressive Arts and Design)	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Substantive knowledge & Skills	I can explore different sounds using my voice, body, objects and instruments. I can experiment with making long, short, loud, quiet, high and low sounds. I can copy simple sounds and musical patterns. I can make up my own sounds and short musical patterns. I can choose sounds to accompany a song, rhyme, story or movement. I can take turns when creating music with others.	I can explore and combine sounds using my voice, body and instruments. I can copy and create short rhythmic and melodic patterns. I can improvise a short musical response to something I hear. I can choose sounds to represent an idea, character, feeling or event. I can create a short sequence of sounds with a beginning and an ending. I can remember and repeat a simple musical idea I have	I can improvise short rhythmic and melodic responses using my voice or instruments. I can create and repeat a simple rhythmic pattern using familiar rhythms. I can create a short melodic pattern using familiar pitches. I can create a simple ostinato to accompany a song or piece of music. I can select sounds to communicate an idea, mood or image. I can organise musical ideas into a simple	I can improvise rhythmic and melodic phrases within given musical boundaries. I can compose short rhythmic patterns using rhythms I know. I can compose short melodic phrases using a limited range of familiar pitches. I can use repetition, contrast and ostinato when organising musical ideas. I can select instruments and sounds for a particular musical effect. I can organise my ideas into a simple musical	I can improvise rhythmic and melodic ideas using an agreed set of rhythms or pitches. I can develop an improvised idea into a short composition. I can compose rhythmic and melodic phrases using musical knowledge I have learned. I can use repetition and contrast purposefully when developing musical ideas. I can use structures such as AB and ABC to organise a composition. I can select instruments,	I can improvise increasingly extended rhythmic and melodic phrases. I can select and develop musical ideas from improvisation into composition. I can compose rhythmic and melodic material using an increasingly wide range of rhythms and pitches. I can combine musical ideas to create contrasting sections. I can use structure purposefully, including forms such as verse–chorus or ABACA. I can make	I can improvise confidently using increasingly complex rhythmic and melodic material. I can select, develop and combine ideas from improvisation to create a coherent composition. I can compose and notate rhythmic patterns using known notation. I can create melodic material using an increasingly wide range of pitches. I can combine rhythmic, melodic and accompanying parts within a composition.	I can improvise independently and confidently using rhythmic and melodic material appropriate to a given musical context. I can select, develop, combine and refine musical ideas to create a coherent composition. I can compose music using increasingly sophisticated rhythmic and melodic material. I can combine and balance different musical parts, including melody, rhythm, ostinato and accompaniment. I can use structure and

		created. I can create music independently and with others. I can talk about the sounds I chose.	structure. I can perform and remember a short musical idea I have created. I can use simple symbols or notation to help me record my music. I can talk about my musical choices and make simple changes to my work.	structure, such as ABA. I can record my musical ideas using familiar graphic or rhythmic notation. I can perform my composition and listen critically to the result. I can make changes to improve my composition.	timbres, dynamics and tempi to communicate an intended effect. I can record musical ideas using increasingly accurate notation. I can work independently and collaboratively when composing. I can listen to my composition, evaluate its effect and refine my musical choices.	purposeful choices about pitch, rhythm, tempo, dynamics and timbre to communicate an intention. I can create music for a particular stimulus, purpose or audience. I can use notation to record and communicate significant parts of my composition. I can rehearse, evaluate and refine my composition in response to what I hear.	I can use musical devices including repetition, contrast, ostinato and layering purposefully. I can manipulate tempo, dynamics, texture and timbre to develop musical ideas and communicate an intended effect. I can use appropriate notation to record and communicate my musical ideas. I can evaluate and refine my composition, explaining the reasons for the changes I make.	musical devices purposefully to develop and sustain a composition. I can manipulate pitch, rhythm, tempo, dynamics, texture, timbre and articulation to communicate a clear musical intention. I can select appropriate notation to record and communicate my musical ideas accurately. I can compose independently and collaboratively for a particular purpose, stimulus or audience. I can rehearse, critically evaluate and refine my composition, explaining and justifying my musical decisions. I can perform or present a completed composition and

								reflect on how effectively it communicates my intention.
Vocabulary	Sound, music, voice, instrument, pattern, long, short, loud, quiet, high, low, copy, choose	Create, improvise, rhythm, melody, pattern, sequence, sound, instrument, beginning, ending, repeat, choose	Improvise, compose, rhythm, melody, ostinato, pattern, structure, mood, notation, perform, change	Composition, improvisation, phrase, repetition, contrast, ostinato, ABA, musical idea, notation, effect, improve	Timbre, composition, improvisation, repetition, contrast, structure, AB, ABC, tempo, dynamics, phrase, refine, evaluate	Develop, contrast, section, structure, verse, chorus, ABACA, timbre, intention, stimulus, notation, rehearse, refine	Texture, layering, accompaniment, musical device, composition, improvisation, coherent, timbre, notation, intention, develop, evaluate, refine	Musical intention, composition, improvisation, texture, timbre, articulation, accompaniment, structure, musical device, notation, develop, refine, evaluate, justify, interpretation

Listening and Appraising

	Nursery (Expressive Arts and Design)	Reception (Expressive Arts and Design)	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Substantive knowledge & Skills	I can listen and respond to a range of live and recorded music. I can show how music makes me feel through movement, words, pictures or actions. I can listen carefully and begin to concentrate on a short piece of music. I can recognise some familiar sounds and instruments. I can notice simple differences in music, such as fast and slow, loud and quiet, and high and low. I can talk about whether I like a piece of music	I can listen attentively to a range of live and recorded music. I can respond to music through movement, words, pictures and actions. I can recognise and name some familiar instruments by their sound and appearance. I can describe simple features of music, including whether it is fast or slow, loud or quiet, and high or low. I can recognise that different pieces of music can communicate different feelings, ideas or characters.	I can listen attentively to music from different times, places and traditions. I can recognise and name a growing range of instruments and voices. I can identify musical features I have learned, including pulse, rhythm, pitch, tempo and dynamics. I can describe how musical features change during a piece. I can explain how music can communicate a mood, idea or character. I can compare two pieces of	I can listen with concentration to increasingly extended pieces of music. I can recognise instruments and begin to group them into instrument families. I can identify and describe musical features including rhythm, pitch, tempo, dynamics and simple structure. I can recognise repeated and contrasting musical ideas. I can explain how musicians use musical features to create different effects. I can compare music from	I can listen attentively and identify a range of musical features within a piece. I can recognise instruments and instrument families by their sound. I can identify how rhythm, melody, tempo, dynamics, timbre and structure contribute to a piece of music. I can recognise changes and contrasts within music and explain their effect. I can compare music from different genres, traditions, times and places. I can explain how a composer's or	I can listen critically to music and identify how different musical elements are used. I can recognise an increasing range of instruments, voices and ensembles by their sound. I can analyse how rhythm, melody, tempo, dynamics, timbre, texture and structure contribute to musical effect. I can identify how musical ideas are repeated, varied and contrasted within a piece. I can compare music from different genres, traditions, times and places using appropriate	I can listen critically to increasingly complex music and identify significant musical features. I can identify how composers combine rhythm, melody, harmony, tempo, dynamics, timbre, texture and structure. I can explain how musical elements interact to create mood, character, tension, contrast or other effects. I can compare music from different genres, traditions, cultures and historical periods. I can consider how the context in which music was created or	I can listen critically and independently to music from a wide range of genres, traditions, cultures, times and places. I can analyse how composers use and combine musical elements, including rhythm, melody, harmony, tempo, dynamics, timbre, texture and structure. I can explain how musical choices contribute to the character, meaning and overall effect of a piece. I can identify connections, similarities and differences between pieces and musical

	and begin to say why.	I can identify similarities and differences between pieces of music I hear. I can express a preference for music and explain something I noticed about it.	music and identify similarities and differences. I can talk about music using appropriate musical vocabulary. I can express a personal response to music and support it with something I have heard.	different times, places and traditions. I can describe similarities and differences between performances and pieces of music. I can express and justify my response using appropriate musical vocabulary.	performer's musical choices can communicate mood, character or ideas. I can make connections between music I hear and music I sing, perform or compose. I can support my responses with musical evidence using increasingly precise vocabulary.	musical vocabulary. I can explain how composers and performers make musical choices for a particular purpose or effect. I can compare different performances or interpretations of a piece and describe significant differences. I can make connections between music I listen to and my own performing and composing.	performed can contribute to my understanding of it. I can compare different interpretations and performances, identifying and explaining musical differences. I can evaluate musical choices using evidence from what I hear. I can use listening to other music to inform decisions in my own compositions and performances.	traditions. I can consider how historical, social or cultural context can contribute to an understanding of music. I can compare different performances and interpretations and explain how performers' choices affect the musical outcome. I can evaluate music critically, supporting my responses with specific musical evidence. I can recognise that personal responses to music can differ and justify my own interpretation using appropriate musical vocabulary. I can apply insights from listening and appraising to refine my own
